

HOW TO DRAW GILBERT

1

First draw a
bean shape for
Gilbert's head

And an oval
for his body

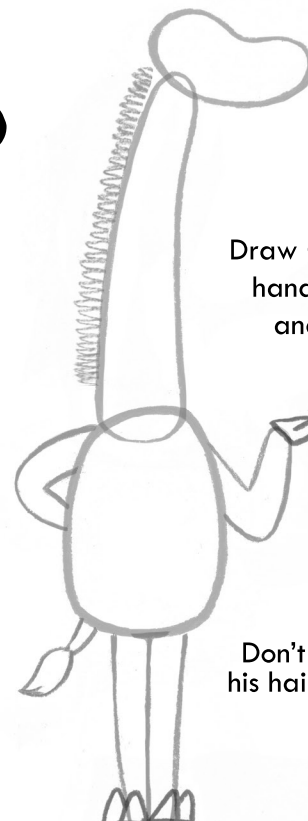

2

Next add a
long neck

Then his arms
and legs

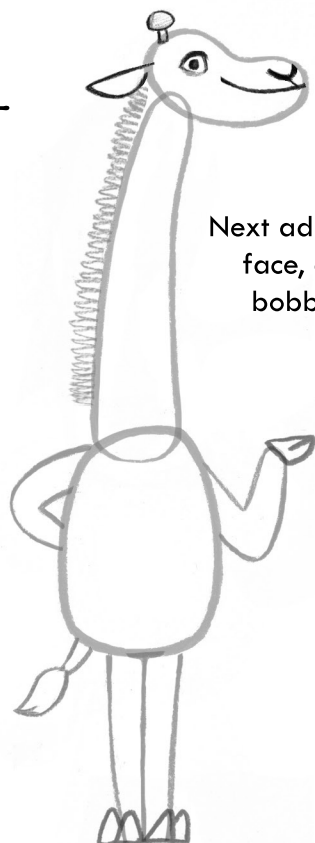

3

Draw Gilbert's
hands, feet
and tail

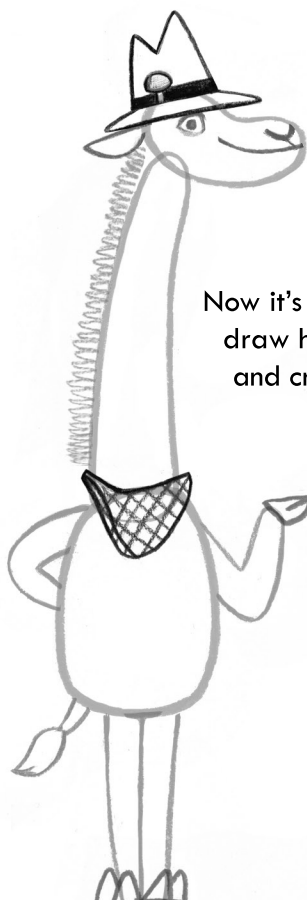

Don't forget
his hairy neck!

4

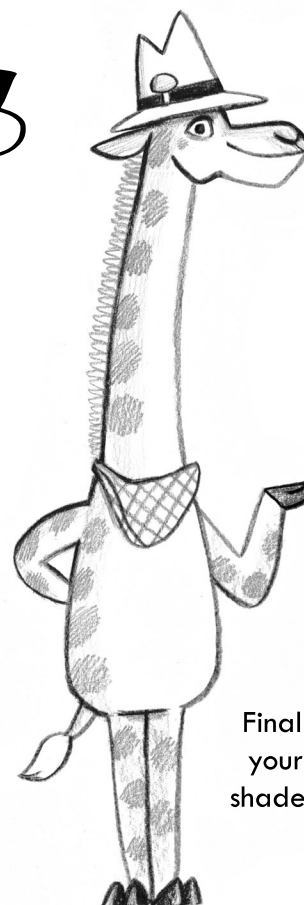

Next add Gilbert's
face, ear and
bobby horn

5

Now it's time to
draw his hat
and cravat

6

Finally, trace over
your outlines and
shade in some spots
